which is not otherwise granted" and in a conference prior to the public hearing on the bill we had the Sarpy County people here. Dale Payne was one of them and Rhea, the County Commissioner, and a couple of other guys from Sarpy County and we agreed to this amendment because it was not any..there wasn't any intention of doing anything like that so, frankly, there was no reluctance on our part to go ahead and put that specific sentence in that excludes the power of annexation and does not broaden in any way, shape, or form the power of annexation and they agreed to the bill and testified in its behalf at the hearing. That's what the committee amendment does and I would move the adoption of the committee amendment.

SPEAKER: Senator Keyes.

SENATOR KEYES: Senator Goodrich, annexation is probably one of the farthest things from my mind. The thing I am wondering is why just a metropolitan
